Hallo.

I had inspection during recess today, I spoke to Lukas in your class since he was riding his scooter in the hall (again). I wrote a remark on it. Can you talk to him? They could do that outside?

Hi.

I just wanted to let you know that I spoke to John's dad today. John hasn't handed in his Nynorsk text within the deadline. I also miss his answer to the previous assignment. Possibly, I will lack the documentation needed to assess him this semester. Just wanted to let you know since you're their class teacher.

Best, Luna

Hi again!

From your perspective, how do Markus seem to be doing at school? We find him to be more easy-going. Thanks for the help last fall. We were at a loss and really appreciate that you took it so seriously. It seems like he has "found his place" in the class. Thanks for the work you do.

From Preben (Markus' dad)

Party at students'

Stine Juul Hansen

To: Janne Boe; Andrine Sætre; Ingunn Berg Lund; Hans Inge Johnsen and others

Hi guys,

Some information has turned up on the parents' Facebook group about there being a party at a student in the class' house this weekend. Some rumors are circulating about alcohol at this party. A few of the parents felt the school should be informed. You can find a screen shot of the event below. Do you have any information about this? A few of the parents are very skeptical towards this.

From Stine, class teacher.

SATURDAY THE 11TH OF SEPTEMBER AT 19:00

Fezztivities in Skogveien 34

Details

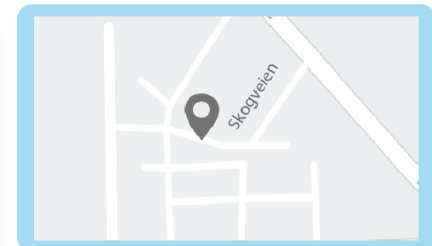

36 people have responded

Saturday 11th of September at 19:00

Skogveien 34

Expect music and good atmosphere. Bring drinks. Don't turn up if you're ill.

Inspection

Andrine Sætre

To: Mailinglist all employees

Hi all employees,

It is important that everyone follows up on inspection. It can easily be forgotten, I know you have a very busy schedule, but it is important that there are adults visibly during all breaks. Remember your vests. We know that there are some tentions in 10th grade. Therefore, it is particularly important to follow up on that in the forthcoming time. Ask the team leader if you want more information.

Kind regards,

Andrine Sætre

Noisy classroom

Anita F. Eikstrøm

To: Janne Boe

Hi.

Jannike doesn't know that I am sending you an e-mail so good if you don't tell her. She is talking a bit about a lot of noise going on in the classroom these days, and that it makes it difficult to concentrate. There are also a few assignments in various subjects, so I think she is experiencing her days pretty stressful now. How do you find her? She does go into her "buble" towards the end of the semester, and I am afraid she is losing herself to the amount of stress. She says that she is also working during recess, does it seem like she is doing OK socially?

Leave of absence for Leonard

Frode Stevensen

To: Janne Boe

Heya.

I am applying for leave of absence for Leonard on Thursday and Friday in two weeks. We are going on a "boys trip" to England with other dads and players from the team. I know there are a lot of "important" stuff going on at school these days but it is also important with cultural experiences is it not? He will also have the opportunity to practice his English (he has been informed that he has to order beer and food for me at restaurants, he he). Hoping for a positive response but we will likely travel anyway.

Have a nice weekend when the time comes.

Course this Wednesday

Pernille Nilsen

To: Janne Boe; Karen Gudbrandsen; Ingunn Berg Lund; Andrine Sætre and others

Hi everyone,

Remember the course in town this Wednesday from 12.30 to 15.30 for all natural science and mathematics teachers. Those of you who have been listed as substitute teachers also have to remember to cover for your colleagues. It is the subject teachers' responsibility to fix and hand over plans for the subs. Overview of who covers who can be found in Teams. Enjoy the course, and enjoy being at work!

Best,
Pernille
Deputy Head
Stavnaker lower secondary school

Lotte Krona

To: Janne Boe

Hi.

Annika isn't feeling very well, looks like she will have to stay home tomorrow. I have told her that that's OK, it is not that often that she's ill after all. She does not seem worse than being able to work from home. I know that they have Norwegian, social studies, mathematics and natural science tomorrow, could you send a plan for the day? It would be good if she could get a plan she will be able to do on her own, I have to go to work, I have a very important meeting I can't miss. I guess she can ask one of you on Team if she has any questions during the day. Thank you.

Kind regards

Lotte.

internet awareness and screen usage

Olav Strandskog

To: Janne Boe

Hi.

Do the school have any plans for talking to the kids about online awareness and screen usage? We are noticing that our girls are spending a lot of time on social media and the phone in general these days, kinda feel like it's excessive. It is almost not possible to have a dinner together without the phones being there. Could it be an idea that the school talk about the kids about use of social media and screen usage? I mean, it is quite possible to read a book too, you know. When Preben (our oldest) went to your school the teachers had a great lesson about this, maybe it is time for a rerun?

Regards Olav and Trine
