Notes from the booklet have been shared from the gecko. You got the link to the doc on e-mail last Tuesday?

Hey, didn't get the extension. Lame. Could you send some notes on what you have so far? I'm not gonna copy, just for inspiration :\*

Heh, my bad. Can't find the link. Can you send? <3

Hi John, The teachers have talked it over and decided that you have to hand it in on the due date, like the others have done :)  
We look forward to listen to your podcast. From Janne
